The Central Park Brick Donation Program is an opportunity for citizens to pay tribute to Central Park and those who dedicated time and resources to improve the quality of life and positively impact our community, including: businesses, coaches, players, families and many more. Engraved bricks will be mounted on the backside of the newly constructed baseball dugouts at Ernie Chatten Field. Completed order forms will be accepted throughout the year but can only be processed in sets of 100, so your patience is appreciated. All proceeds from the brick donation program will be used for an array of recreational opportunities at Central Park, including: Baseball/Soccer Fields, Playground Equipment, Park Beautification and Preservation. Everyone is invited to buy a brick, for yourself, someone else, to commemorate special occasions, or to honor and remember someone.
